

6 x 2.7 MW JENBACHER GE620 50Hz (natural gas ENGINES)

1. General

The offered plant is located in Central Europe and is, due to changed power demand, for sale. The plant was commissioned in 2000 and is in excellent condition, well maintained and shut down recently. It accumulated approx 32'000 operating hours and zero hours after a complete overhaul. The entire plant equipment is for sale and ready for relocation.

The plant is:

- In excellent condition
- well maintained (by OEM's)
- completely equipped for fast installation

2. Scope of Supply

The entire existing mechanical and electrical equipment of the plant is part of the delivery incl auxiliaries. Building structure, overhead crane, etc are not part of the delivery but negotiable with owner.

- Gas generator sets
- All associated mech auxiliaries
- Control instrumentation system
- All associated electrical auxiliaries, e.g. motors, MCC's, batteries, etc.
- Interconnecting piping, valves, hangers
- Electrical LV and MV switchgears
- Technical documentation as it is available

3. Performance Data

- Type Jenbacher GE620

- DCS Type SPPA-T3000 (Siemens)
- Output (net) 2.7 MWe
- Fuel natural gas
- Speed 1'500 rpm
- Frequency 50 Hz
- Voltage 400 V

4. Operational and Historical Data

Manufactured 1999

Commissioned 2001

Operating hours ~32'000

After overhaul zero hours

During major overhaul the liners, pistons, cylinder heads and bearings were replaced. Engines are sold with warranty (12 months).

5. Asking Price

The price for the complete plant "as it is and where it is" is 2'000'000 Euro.

Intecteam JV is an innovative company experienced in project development and power plant engineering, ready to provide the services to implement the project according to your needs and as an independent contractor (engineering, dismantling, packing, transport and supervision) based on terms and conditions to be agreed upon separately.

Please note that all equipment offered is subject to prior sales and at conditions 'as it is and where it is'. Location will be released and inspections can be done after submission of LOI. Price negotiations solely with buyers having proven funds.
